Matthaei Gardens Gazebo  
Dan Hoffman, Architect

andy

### **Anthony J. Greco, PE, principal**

*M.S.E., Civil Engineering, University of Michigan, 1995  
B.S., Civil Engineering, University of Notre Dame, 1981  
B.A., Political Science, University of Notre Dame, 1978*

Andy's extensive experience in the design of wood, concrete, and steel structures enables him to work effectively with architectural clients to develop efficient and innovative framing systems. He also works closely with steel fabricators who value his expertise in designing cost effective solutions for challenging steel connections. His proficiency in the design of complex steel connections brings the office a valuable tool in serving the needs of its clients.

*Licensed Professional Engineer: Connecticut, District of Columbia, Idaho, Indiana, Kentucky, Maryland, Massachusetts, Michigan, Mississippi, Ohio, Pennsylvania, Tennessee, Texas, Virginia, Wisconsin, NCEES Certified*
